ceatury may not pase away before these

so; and that those whe want to fight will go

It is a melancholy fast that many men ardly cenceal their exultation at the pros-

pect of war. Nothing delighte them eo

anch. Strange that such insanity should

kist! This war is easily begun-begun for

the honor of the Government on one eide,

and for rights on the other. Where will the

henor and rights be at the end of the fight?

Will these parties give Kentucky aay secu-

ity for either? In the progress of the ln

saity human nature will repeat itself

ntrelied would be the slave of their own controlled would be the slave of their own fondness or animosity. This sisterly etyle will de for green ones; it can only amuse a to serede by a majority of seven, and will will de for green ones; it can only amuse a statesman whe knews that States are controlled by a majority of seven, and will probably resolve to preserve armed neutrality, refusing transit by Northern or Southur, and will politicians of this policy hope to form a neuclus around which the Border States may rally, and propose an ultimatum forfrecoastruction

Secretary Cameron has been closeted all day with this army officials, arranging designs, and the principle of peace and day with this army officials, arranging designs, and the principle of peace and the borders on the other side of the river.

This is not necessary, although natural. The arming in Indiana produces great excitement in this State; as there is no telling what may happen these times. Kentucky will arm in self-defense; it is her duty to herself. She has refrained, up to this time.

I day with its army officials, arranging details of the campaign.

I day with its army officials, arranging details of the campaign.

Great agistation is produced by rumors of contemplated raids upon Harper's Ferry Arraenal, Fort Mouroe and this city, by Wirginia State forces, requiring confirmation; three garrisons are being greatly alternated with the tolly of haste and premature action, will have

Activity in Trox.—We have reason to believe, says the Troy Whig of Wednesday institutions and habits, then despotism, after men are exhanated and disgusted with the bloody conflict. If two or more Governments are formed, they must each be constructed on a stronger model than the same transfer of another contingency following that more than an additional supply of 20,000 Columbiad bombs were ordered insertingly form the Areanal; and that two transfers within their States, and their intensivations of the same reason to be designed against it. But would there not be danger of another contingency following that move that would fall hard on the Border vas the bloody conflict. If two or more Governments are formed, they must each be concerned in the continuous properties. constructed on a stronger model than the old one in self-defence, and some of the freedom we now have abridged. Ignorant and depraved men can make war and break np Governments; it takes wise men to reconstruct them, when the evil passigne of the hour have subsided.

menetiately from the Areanal; and that two converts in the city were put to work yes converted to the converted t

any Governments; it takes wise men to reconstruct them, when the evil passions of
the hear have subsided.

Usually the business falle into the hands
of one man or a few men, and the work is
dease to the people's hand. So will end the
henor and the rights. And this le the prospect te rejoice ever.

We publish Lincoln's reply to the
Virgina Commissioners. It is defialte in
explaining that he will hold, occupy and
possess. He le going to retake what has
been leet of Government property, if he can
file will de all that is necessary for that,
and defend what he has. Held, occupy and
possess didn't mean all that accessarily
